

# Our Spring Term Value-Care

# WHAT DOES CARE MEAN TO PONTLLIW ?

How do we show we care ?  
What actions, words can we use?  
Could we use gestures ?  
What about body language?  
Messages, notes etc ?

We spoke about what the word 'Care' means to us and who cares for us in our school and wider community.

We also spoke about how our value of care is important in fulfilling our curriculum vision.
