

Our Curriculum!

What is a curriculum ?

- ▶ Everything we do
- ▶ The WG has given a framework to every school (0-25 years)
- ▶ Framework has 6 AoLes

We first began by discussing what the word 'Curriculum' means to us in Pontlliw.

We then spoke about the 6 areas of learning and celebrated all of the exciting opportunities that we get to experience these areas in Pontlliw.

How do we develop the 4 purposes in Pontlliw ?

We also discussed why the 4 purposes are important and how they are at the heart of our curriculum.

Your challenge is to think of three names. One for each step that fit with our vision and motto.

Think about plants, seeds what they may need and how they grow ?

ve arrive in school to when we arrive. This includes our values, behaviour, and what we learn

Our pupils enjoyed being given the challenge to think of names for our progression steps. We wanted these names to reflect our school vision and motto.

There are 3 progression steps within the Primary school. Pontlliw has now named theirs, thanks to the pupils ideas :

- ▶ **Starting Seeds** - Nursery to Reception
- ▶ **Tremendous Trunks** - Year 1 , Year 2 and Year 3
- ▶ **Brilliant branches** - Year 4, Year 5 and Year 6

Our pupils ideas were then used to create our progression steps names!

Curriculum Vision

Planting the seeds for a life time of growth

Our curriculum is:

- Pupil centered
- Cross-curricular
- Experience rich

Canopy - where all children can be individual, exploring the possibilities of their learning

Literacy

Oracy Reading
Phonics Writing
Spelling Grammar

Trunk - supports the canopy by building strong knowledge and skills

Roots - need to be strong to establish conditions for great learning

Respect Care Community

Numeracy

Cross-curricular

Concrete Pictorial Abstract
Real life

Our curriculum uses Big Questions to explore learning through topics and themes which are broken down into mini-questions by pupils and teachers

Health & Well-being

- relationships - physical
- cynefin - mental/emotional
